

WiSys Agility® for Macola®

Product Roadmap

Product overview

WiSys offers a suite of flexible and scalable products which integrate directly to the Macola ERP packages including Macola Progression, Macola ES, and Macola 10.

At WiSys, since 2004, we have re-invented how ERP systems create value for customers. To meet the business challenges of a new economy, companies need to focus on reducing reaction time to maintain customer loyalties and improve supply chain operations, from receiving through production to delivery.

The WiSys Agility suite of products and tools is a single source for Warehouse Management, Supply Chain Management and Business Intelligence, providing real-time transactions and actionable insights for production, inventory and fulfillment.

Agility Warehouse Management	Agility Pallet Management	Agility Shipping Logistics
